

## Improvised Comedy Training Courses, Shows, Workshops

**easylaughs** offers improvisation courses in English and Dutch for all levels of experience. The classes are taught by talented and experienced improvisers. All levels have a student show at the CREA at the end of the course.

An 20 hour course typically costs €180 and is taught at the CREA or Krakeling, both in central Amsterdam. Size 6-12 people.

### Improvisation Level 1 - Learn To Improvise

Learn all the basic skills of improv. Beginning moments, object work and physical activity on stage are primary focuses. The classes are very active and everyone gets many chances to get up and play. You will learn individual performance and presentation skills and how to work in a team.

### Improvisation Level 2 - Beyond the Basics

Continue to further your skills in improv. Advanced object and environment work and learning how to create interesting and challenging scenes are the focus of this class. Each student will get individual feedback to further their strengths and skills.

### Improvisation Level 3 - Getting In Deeper

In this class, we will focus on advanced scene work with a focus on elements of long long-form and an emphasis on group support. You will be playing many longer scenes, building up to making an improvised show that is based on one suggestion.

### Masterclasses

Classes in long-form, acting and singing are offered. In each course, participants will be helped to improve their stagecraft, push themselves further and be a better team player. Each student will get individual feedback to further their strengths and skills.

### Open Workshops

Every Sunday between 12 and 2 at the CREA in central Amsterdam we have a workshop for anyone with experience or interest in improvisation and an understanding of English. No registration necessary (except in exceptional circumstances); Price €5.
